5968 97 Highway Peachland BC

\$1,790,000

This one acre lot is zoned C5 and would make an excellent hotel/convention centre. Pictures and video are available at www.PeachlandHotel.com along with a suggested design and views that are magnificent, one of a kind, incredible and unique. The central location (Penticton/Kelowna) is fantastic for golfing, beaches, wineries, hiking, etc. Located directly across the hwy is a dog beach/park for "dog cations" and a boat launch. There is no hotel in Peachland and it is located on the highway with massive drive by traffic as this is the hwy to Penticton/Summerland. From this location visitors can walk to pubs, restaurants, shops and more.
