Looking to make a little extra money to pay the mortgage? This storey-and-a-half has separate entrances for upstairs and down, so you can have a rental income helping to cover costs! With updates including windows, roof, furnace, kitchen and bathroom downstairs, a lot of big items have been taken care of. Downstairs has 2 bedrooms and 1 bathroom with lots of storage, and upstairs has 1 bedroom with a kitchen and 3-piece washroom. A large 26' x 12' garage is great for parking, and there is a workshop space, as well, for all the tools.
