

3402 SOUTH MAIN STREET 105 Penticton BC

\$609,000

Best home in complex! The homes in this complex are very, open & bright, & this home is double amazing. It boasts a main floor master suite, & an upper level master suite, it has full laundry on both floors, perfect for guests! The home is outfitted with double blinds on most bedrooms, & has a 2 car garage. The finishings, the fixtures both electrical & plumbing, & the workmanship are of very high quality. The main level has great space that is bright & open, yet warm & relaxing. A private covered northwest facing patio is ideal anytime to enjoy the Okanagan lifestyle. Upstairs, boasts a beautiful loft that is designed for multi-functionality. It also has large windows providing additional light & views. A 2nd laundry is located between the 2 upper bedrooms, one of which is the 2nd master suite. Additional features include BBQ gas connection, built-in vac system including a garage kit, built-in alarm system, zero-scaped fenced rear yard, Skybell security door camera. Must be seen!
