A perfect family sized home located near parks and shopping make this ideal for a growing family. A classic split level home offers space for a growing family with 3 beds and 2 baths up, a large family/rec room down with another possible bedroom and bath and large living area, dining room and kitchen on the main. Recent upgrades include some roofing, remote roll shutters & h/w tank. Interior updating would make a wonderful opportunity to add value for a handy person. A single car garage with attached carport and storage/workshop space add to the opportunity. Call today for a private tour. All measurements approximate.
