

0 NA Edmonton AB

\$128,000

This well established Nail Salon in the Capilano area has just received a complete renovation and all new equipment! Its like starting in a brand new salon but having clientele already who have given many 5 Star Reviews. With 5 top of the line spa/pedicure chairs with all the features available, 5 new nail stations plus a great staff sterilizing and prep area your clients will be impressed and your employees happy. The space also has a waxing room, staff area, laundry and washroom. With drywall ceiling tiles, all new lighting, sinks and cabinets you will not have to worry about anything for years.
