Great opportunity here! 2 bedroom main floor unit conveniently located in a great complex that has been very well maintained and offers many recent upgrades including windows, and siding. This unit is move in ready and features newer laminate flooring in the living room and bedrooms, fresh paint, and a newer furnace and hot water tank. Both bedrooms are large and the primary offers a walk in closet and 2 pce ensuite. There is also a wood burning fireplace in the living room and patio doors open to a nice sized covered patio. Tons of storage inside this great space, and the complex backs onto a park and playground! This is a very affordable first home!
