

9820 165 Street 104 Edmonton AB

\$199,900

Simplify your life by downsizing to this 2 bedroom suite looking onto the gardens in this 55+ pet friendly, no smoking building. This main floor east facing unit is close to the west elevator & the heated underground parking stall with storage cage. The open concept kitchen has an island with a great corner pantry as well. Dining space is suitable for a smaller table. In suite laundry room has additional storage space. Your king sized primary bedroom has great walk in closet with a walk in shower ensuite. Your second bedroom is suitable as an office space or for a day bed and there is a second bathroom with bathtub/shower. This building features secured entrance, visitor parking, fitness centre, social room, library, guest suite & car wash. Heat, water & sewer included with your condo fees. With easy access to Whitemud Drive, Stony Plain Road & the Anthony Henday - and great transit & shopping options - you'll love this quiet residential neighborhood.
