

10435 133 Street Edmonton AB

\$1,550,000

Prepare to be impressed by this Luxury Dream Home on a Full-Size Lot in upscale Glenora! Built in 2016, this expansive property boasts 4500 sqft finished living space and is flooded with natural light. You'll love the gourmet kitchen, complete with its massive granite island & upgraded appliances, seamlessly flowing into your spacious living room, family room & dining room. From the grand foyer, ascend a custom curved staircase, leading to your home office, upstairs laundry & three large bedrooms. Your romantic primary oasis awaits, complete with a lavish ensuite, custom walk in closet, fireplace & wrap-around balcony. The basement is ideal for entertaining & includes a home theatre, large recreation room, custom wet bar, 4th bedroom & second full laundry room. This energy-efficient home is also equipped with two furnaces & Central Air Conditioning. Your fully-fenced backyard is professionally landscaped & includes a stamped concrete patio, deck with covered BBQ area & an oversized 29' wide heated garage.
