

10878 97 Street Edmonton AB

\$0

McCauley is an ethnically diverse inner city neighborhood in Edmonton undergoing revitalization. The premise is just adjacent to Royal Alexandra Hospital complexes, Victoria School of Arts, and Kingsway Mall. The vision of the area is a modern and urbanized mix of residential, commercial, and medical facilities. Various businesses cater to the needs of the hospital and the local community. You'll find restaurants, coffee shops, convenience stores, and other services nearby, making it convenient for patients, visitors, and residents. Starting your own business at the premise will never let you down, especially with such a wonderful possibility and cost-effectiveness.
