

7503 GETTY Gate 110 Edmonton AB

\$330,000

This original owner townhouse has all the upgrades the builder would allow, and then more added by the owners. The location of this unit is hard to beat. It is an end unit facing the beautiful green space and park. This dual master bedroom home features a fully upgraded kitchen with top of the line stainless steel appliances, granite counter top, and glass tile back-splash. Both master bedrooms have a private ensuite and walk-in closet. The bedroom facing the park also has it's own private balcony with a great view. The utility/laundry/storage area is very large and features a like new high capacity front load laundry pair. The fenced yard faces on to the park and the patio has a gas BBQ connection. This home is also fully networked with Cat 6 connections installed by an IT specialist. Rounding out this package is a double attached garage to save you from scraping windows and sweeping snow. Leave your landscaping and snow removal hassles behind as they are all taken care of at this complex.
