

11305 108 Avenue Edmonton AB

\$449,000

Great opportunity to transform the existing site into a new multi-family dwelling of your choice. With the new zoning by-law passed by the City of Edmonton, the possibilities here are endless. Located very close to trendy 124 street. With the new zoning bylaw, this location becomes RM - Medium Scale Residential. In this particular instance the zoning modifier of H16 means that any development is 16 meters high maximum and that translates into a 4 story building. This zone also allows commercial uses at the ground floor of residential buildings to encourage mixed use development and to provide local services to the neighbourhood.
