

123 Edison Drive St. Albert AB

\$599,900

There is tremendous value in this BRAND NEW 2 story home. Side entrance to the basement with suite potential, a rare find in St. Albert. The home is finished with gorgeous feature walls, beautiful attention to details, and a smart floor plan that maximizes the square footage for a comfortable and welcoming family home. You'll love the owner's retreat with the bright natural light, 5 piece ensuite, and monster closet space. Upstairs laundry is always nice, of course, and the large closet spaces are an added bonus that often get overlooked. Everywhere you look, you'll see great features and gorgeous details.
