

12739 116 Street Edmonton AB

\$335,000

This beautiful bungalow in the bedroom community of Calder includes extensive renovations completed in 2015. This home features a gourmet galley kitchen with gas counter top stove, built-in oven, french door refrigerator with bottom freezer, dishwasher, a gas fireplace and air conditioning, 2 spacious full bathrooms, 1 bed up, 1 bed down and is in immaculate condition. This is a must see to feel the quality and coziness of this home. During renovations in 2015 upgrades included kitchen cabinets, 2nd bed on main converted to bathroom, new furnace & hot water tank, central air, basement development and front deck with city permits. Then in 2021 the exterior was refreshed and new shingles & eave troughs installed. Only 15 min from downtown, shopping and all entertainment near by.
