

12805 90 Street Edmonton AB

\$375,000

Discover this spacious Bungalow with 2,217 Square Feet of Livable Space, perfectly situated on a large corner lot in Killarney. Offering ample living space, the main floor features three generous bedrooms, a well-appointed kitchen with dining area, an extended living room, and a charming front porch. The fully finished basement boasts a large recreation room or large 4th bedroom, a den, a second bathroom, and abundant storage. The expansive backyard, including a unique side yard, provides plenty of space for gardening, pets, or recreation. Additional highlights include central air, an attached single garage, street parking, and a front parking pad with potential for RV storage. Conveniently located within walking distance to schools, parks, shopping, and public transit, this home offers both comfort and accessibility. Welcome Home!
