

1320 SOUTH CREEK Link Stony Plain AB

\$420,000

Welcome to the recently built Belgravia by Pacesetter Homes. This home provides stainless steel appliances, hot water on demand, radon detector, carbon and reverse osmosis water filtration, water softener, AND beautiful new blinds. Come in and be welcomed by the spacious entry that leads you into the delightful kitchen and make sure you notice that walk-through pantry! Natural sunlight fills this home through the large windows supplying a lovely view of the new yard. Upstairs offers a spacious primary bedroom that makes a king-sized bed look small. You will love the large walk-in closet, the ensuite double sinks, and the walk-in shower. This home has the convenience of upstairs laundry, two more good-sized bedrooms, and another full bathroom. The yard has been recently landscaped and fenced creating an enjoyable private backyard. Have I mentioned yet about the insulated, dry-walled double-car garage? This beautiful home is located in a fabulous family-friendly neighborhood close to shopping and schools.
