

147 MARION Drive Sherwood Park AB

\$399,900

SWEET! SWEAT EQUITY STARTER HOME with BIG EXTRAS! Located in Mills Haven, you're in a family friendly neighbourhood of parks, schools, walking distance to the Sherwood Park Mall, Tim Hortons, Baseline Rd amenities & transit station. The home is over 1200 sqft with 4 Bedrooms & 2.5 Baths. What I love is the widened driveway so you don't block in vehicles every morning and be late for work. The Stone Walkway you'll appreciate. The Backyard includes a custom deck with hot tub for year around fun. The double detached garage was converted into a Man Cave... nice! Most buyers will want to put new flooring, baseboards, paint, along with some other personalized touches. Lots of great potential for under \$400,000. Possession of 60-90+ days is preferred.
