

## 14827 138A Street Edmonton AB

\$470,000

Great location for this well kept bilevel. This 1100+ sqft bi-level is located in a quiet family oriented neighborhood. This home lays out like a bungalow as it only has 2 steps to the main floor. Gleaming hardwood greets you as you step into the main floor where it features vaulted ceilings, white kitchen with beautiful contrasting stainless steel appliances, gas fireplace in the main livingroom, master bedroom has a walk in closet and 4 piece ensuite, and a large second bedroom finishes this main floor. The finished basement features 2 bedrooms and a large family room that is ideal for company and entertaining. As an added bonus to this well maintained home is the central airconditioning for the hot summer nights and heater in the garage for the cold winters. Fantastic curb appeal and great location!
