

15043 132 Street Edmonton AB

\$359,900

Welcome to Cumberland and this stylish 3 bedroom and 1.5 bathroom two storey home. The living room is light and bright with attached cabinets for storage and your TV. The kitchen has plenty of cupboard space, white appliances and opens onto the dining room. The dining room has an alcove for a china cabinet and patio doors leading onto the deck and yard. A 2pc bathroom completes the main floor. The primary bedroom features large windows and a wall to wall closet for plenty of storage. A light and bright 4pc bathroom and two additional bedroom complete the second floor. The basement is partly finished with a family room and office space plus laundry and room to add an additional bathroom. The good sized yard has plenty of room if you want to build a double garage. Steps away from the Cumberland Park and easy access to shopping, schools, Anthony Henday and so much more. Welcome Home!
