

1547 HECTOR Road Edmonton AB

\$919,860

BUNGALOW-CONCRETE HOME - RIVERBEND DIAMOND! Built with ICF Logix blocks to last for centuries. This beautiful and quiet concrete home is very rare and unique in every way. Structure is 8 times stronger than wood built homes, up to 15% more energy efficient, 3-4 hours fire rating, withstands wind level up to 150mph. Mold can NOT grow on ICF blocks. Inside of the home is all grace and class. Granite countertops, hardwood floors, slate, crown moldings, and 10 / 14 ft ceilings ... too many to list. This home must be seen to appreciate. Fully finished basement with in floor heating, BAR, home theatre, and wine cellar. Top of the line A/C, three fireplaces, LARGE BALCONY with unobstructed view. This home has oversized double garage with tiled floors. Backyard with mature trees, HUGE CONCRETE DECK, plus FOUNTAIN, and many flowers around, will make your private moments more enjoyable. Couple minutes walking to river valley- just a block away. Your Dream home-castle is ready for you. VIDEO TOUR AT URL LINK
