

16911 54 Street Edmonton AB

\$599,900

SIMPLY GORGEOUS! This huge 2 storey custom home in desirable McConachie is fabulous! Absolutely immaculate featuring 3 baths, 4 bedrooms + den, bonus room A/C & lots of high-end upgrades & designer accents throughout. The chef's kitchen has granite countertops, large island with sink, corner pantry & quality s/s appliances. The open concept great room has stylish coffered ceilings & gas fireplace with custom inserts & flows through to a sunny breakfast nook with access to the deck & landscaped yard. The main level is completed with a den & 4-pce bathroom. A staircase with elegant iron railings leads to a bright bonus room overlooking the backyard, the spacious primary bedroom has a w/i closet (with window), luxury 5 pce ensuite, corner tub, double sinks and glass shower. There are 3 additional bedrooms, laundry room and 4-pce family bathroom. The basement has roughed in plumbing for a future bathroom. The impressive exterior boasts a double garage, nicely landscaped yard, huge deck & shed! **MUST BE SEEN!!**
