

17614 111 Street Edmonton AB

\$569,900

Welcome home to this fabulous Custom Built, upgraded 2-storey home in the much-desired community of Chamberly in NW Edmonton. Built by Aacropolis Homes, it features many additional upgrades beyond the standard build. Showcasing a full 5 bedrooms with an option to have a 6th if desired, with 4 beautifully appointed bathrooms, granite countertops, offices on both basement and main floors, boasting a vaulted ceiling at the Living/Dining Room for that open concept feel. Hardwood floors abound throughout, and for those with allergies, this is a No-Smoking, No Animal home. The home features Central Air Conditioning with Humidifier and has had a new H/E furnace installed one year ago. The Chef's Kitchen boasts a gas cooktop with a suspended cookware rack over the center island. This neighborhood backs onto a large green space behind the homes, so sit out on your huge back deck and enjoy the views. Located close to several area schools and shopping for your convenience. Must be seen to be fully appreciated!!
