\$469,900

The Sasha by Bedrock Homes is a beautifully designed 3-bedroom, 2.5-bathroom home featuring a central bonus room, perfect for family living. With a rear double car garage pad and built-up curbing for a potential future garage, this home offers both convenience and style. The main floor boasts an elegant 50" Ortech LED electric fireplace, while the kitchen impresses with 41" upper cabinets extending to the ceiling, complemented by 4-piece Samsung stainless steel appliances. Luxury vinyl plank flooring extends through the main floor, bathrooms, and laundry, with quartz countertops throughout. The ensuite includes dual sinks, and the home is finished with paint-grade railing and straight metal spindles, LED pot lights, and a cutting-edge smart home technology system for modern living.
