

19046 20A Avenue Edmonton AB

\$669,900

The Tokyo built by Landmark Homes provides an active family with room to grow along with personal space. The open concept main floor features an intelligently designed kitchen, generous eating nook and a living room with an eye-catching central fireplace. The home comes with three bedrooms upstairs and one on the main floor, which could also double as an office, guest room, or however you choose to utilize the space. The master walk-in closet is exceptionally spacious and the grand ensuite features the luxury of a tub, shower, and double sink vanity. Fully Landscaped, WALKOUT Basement, Deck Included, Gasline to Deck and SIDE ENTRY
