

1916 155 Avenue Edmonton AB

\$539,900

Welcome to 1916 155 Ave NW, this impressive brand new 4 bed & 3 full bath half-duplex boasts 1850 sqft of expertly designed living space, finished with high-end finishes and thoughtful upgrades. The main floor features 9-ft ceiling, a full washroom, and a bedroom for convenience. The beautifully appointed kitchen showcases TWO-TONE cabinets. The expansive living area incorporates large windows for ample natural light along with electric fireplace. The second level, accessible via elegant stairs, reveals a spacious bonus room with a striking feature wall, which offers a vantage points to take in views of the living area with OPEN TO BELOW concept complemented by two more bedrooms with common full bathroom. The primary suite features a recessed/tray ceiling, feature wall, en-suite with tiled glass shower, and walk-in closet. Additional enhancements include SEPARATE ENTRANCE to unfinished basement, central-vac rough-in, POE camera wire rough-in etc. Actual finishes may vary, pictures from different layout.
