\$425,000

This 1.5 story A-frame, built by Knotty Pine Cabins features a metal roof, wood paneling and that cozy cabin feel. This property is placed on 72 fully-fenced acres. The unspoiled basement has a 3pc. bath roughed-in, a tankless hot water heater and a high eff. furnace. The 28x30' heated shop includes a 100 amp panel, 9 ft ceilings, and a roughed in bathroom. The shop runs off a drilled well, well the home runs off a cistern. The shop and home each have their own septic tank with an open discharge. Located just a couple kms off pavement.
