

19723 26 Avenue Edmonton AB

\$650,000

Backing onto green space, this executive home offers a separate entrance, a main-floor den, and a stunning open-to-below design. Located in the sought-after Uplands at Riverview, just minutes from Anthony Henday Drive and Windermere, this home boasts over 2,300 sqft of modern living space. The main floor features a spacious den/office, an open-concept kitchen and dining area with cove ceiling detail, a built-in desk, and a breathtaking great room. You'll also find a powder room and a mudroom with MDF built-in shelving off the double-attached garage. Upstairs, the primary suite includes dual walk-in closets and a spa-like ensuite with a double vanity, shower, and jetted tub. Two additional bedrooms, a full bathroom, upstairs laundry, and a bonus room with a balcony complete the second floor. Upgrades include a deck overlooking green space, a separate side entrance to the basement, a glass-railed veranda, luxury exterior panels, and 9-ft ceilings with 8-ft doors on both levels. Truly a must see.
