

20031 19 Avenue Edmonton AB

\$382,999

In the vibrant new community of Stillwater, this 3-bedroom end unit townhouse offers modern living with easy access to Anthony Henday and West Edmonton Mall. Built in 2020, this home spans 3 levels, featuring a deep attached garage, perfect for your car and extra storage. The main floor welcomes you with a spacious foyer, while the second floor boasts an open-concept layout with a kitchen, dining, and living room filled with natural light. Enjoy cozy evenings by the electric fireplace that changes colors to match your mood! Freehold with no condo fees, this home includes central air conditioning, an en-suite primary bedroom, and convenient third-floor laundry. You'll love the private community amenities like a playground, skating rink, basketball court, and scenic walking trails. A decent home in a green environment, ideal for families!
