

9020 Jasper Avenue 2004 Edmonton AB

\$475,900

Welcome to the heart of Edmonton! This 2 bed 2 bath condo on the 20th floor is perfect for anyone looking to enjoy the luxury of downtown living. Cooking in your sizeable galley kitchen is a dream come true for a culinary enthusiast, thanks to the gorgeous subway tile and high end appliances. A spacious kitchen island with plenty of counter and barstool space is perfect for hosting meals with loved ones. If you don't want to sit at the island, move to your grand dining room overlooking the city. After a long day, relax in your living room beside the gas fireplace and enjoy more gorgeous views thanks to your floor-to-ceiling windows. Retreat to your lavish primary bedroom with a stunning ensuite and spacious closet. An additional bedroom and bathroom are just around the corner. In-suite laundry, A/C and 2 titled underground parking stalls make your day-to-day life easier! Live downtown and reap the benefits of local cafes, excellent restaurants, beautiful parks and the nearby River Valley trails.
