

2030 13A Avenue Edmonton AB

\$709,900

Experience innovation at its finest with this Landmark Home currently under construction. Our state-of-the-art, climate-controlled Acqbuilt home construction ensures precision and quality in every detail. Using cutting-edge robotics, we build your home with millimetre precision, resulting in an airtight, energy-efficient oasis. Say goodbye to drafts and uneven temperatures with our Hi-Velocity Heating System, providing superior comfort and breathe easy with our 3-stage indoor air purification system. Live efficiently with our on-demand hot water system, triple pane windows, and ENERGY STAR(R) appliances. Upgrade to a Landmark Home and elevate your living. Open to below, SIDE ENTRANCE, SPICE KITCHEN, over-sized garage, plus bedroom and full bath on the main floor. Located on a standard pie shape lot, this lot is NOT a zero lot.
