

9955 114 Street 204 Edmonton AB

\$129,900

The Westminster a 1912 built walking distance to Grandin LRT station this historic brick Heritage building is situated in the best part of Oliver and south off of Jasper Ave at the top of river valley. This nicely laid out 1 bdrm, with 4 piece main bathroom, second floor condo has a ton of character. The condo has original finished hardwood floors, timber sash windows, high ceilings throughout with a fireplace with mantle that add to the room. The floor plan is very open and offers privacy to the bedroom area. This lovely condo has just been freshly painted, and has newer white kitchen w/ pot drawers and lots of counter space and a gas range & refrigerator. The entrance has a large front closet, and the bedroom has a deeper larger closet. The living room is large and has large windows for plenty of brightness. This outstanding Heritage condo is perfect for first time home buyer, investor, or student going to University. Nait, or Grant Mcewan. The condo has a very low condo fee. Own a piece of history.
