

11308 130 Avenue 205 Edmonton AB

\$145,000

GREAT LOCATION, WONDERFULLY CONSTRUCTED, BEAUTIFUL BUILDING! It's your chance to own this PRISTINE HOME - bright WEST FACING natural light, w/ HEATED UNDERGROUND PARKING, storage cage, walking distance to Grand Trunk Rec Centre, & off-leash dog park! This rare opportunity doesn't come up often in this bldg, so don't wait. Upgraded & Well Maintained...definitely pride of ownership in this properly laid-out condo. Spacious & Opulent! Great for anyone looking to downsize, & be walking distance to major amenities, & close proximity to schools, grocery stores, restaurants...everything! Or...looking for a clean, quiet & well managed bldg, this is IT! NOTHING TO DO HERE BUT JUST MOVE IN. The spacious bathroom is connected to the hallway (away from the main living area), but is also connected to the oversized bedroom, which has a large walk-in closet. High ceilings increase the open feeling of this home, yet sitting by your lovely fireplace will 'cozy' up your nights :) Get it b4 someone else calls this HOME!!
