

12207 JASPER Avenue 207 Edmonton AB

\$149,900

Welcome to Valleyview Manor and one of the best opportunities to own a home for under \$150K in a million dollar location. You will not find a spot in the city better than this. Perched on the edge of Edmonton's river valley, you have direct access to walk/biking trails and are steps from 124th Street and High Street and only blocks from the downtown core. This home offers an open living concept with the kitchen leading into a large living space well-lit by huge windows. Your balcony gives a comfortable amount of space to enjoy a glass of wine on warm summer nights or your cup of coffee on sunny mornings. A large bedroom, 4/pc bathroom and plenty of closet space round out the features of this tremendous property. Shopping, a grocery store and some of the best restaurants in town are just steps away for those who value a walkable lifestyle. Units in this building don't last long so don't sleep on this opportunity
