

10142 111 Street 224 Edmonton AB

\$339,000

Experience luxury just moments from downtown, with easy access to shopping, dining, public transit, and the beautiful river valley. The entrance is stunning, winding oak staircases, a striking fireplace, and soaring vaulted ceilings. Residents can enjoy a business center, conference room with kitchen, guest suite, gym, and a lounge area. The property also features a atrium complete with a fountain and seating. This two-story unit features two bedrooms, two full bathrooms, and laundry facilities on the upper level. The main floor includes a half bath, a full kitchen, dining and living spaces, a separate bedroom or office, and a balcony. The flooring is a mix of tile, carpet, and hardwood, while the kitchen and bathrooms showcase elegant granite countertops. Warm up by the gas fireplace on or take advantage of the central air conditioning and private balcony with BBQ area. A central vacuum system adds convenience, and the window treatments are included with the unit as well as one heated underground stall.
