

22827 94 Avenue Edmonton AB

\$445,000

Discover the future of comfortable living in an exquisite Impact home w/ SEPARATE ENTRANCE. The main floor & basement, boasting 9-ft ceilings, opens into an inviting open-concept kitchen featuring ceramic tile backsplash, beautiful S/S appliances, luxurious quartz countertops, pantry & premium cabinets. The kitchen seamlessly connects to the cozy living room & an elegant dining area. Rounding out this floor, you'll find a mudroom w/ a convenient laundry area & a half bath. Ascend the staircase to the upper level, where you'll encounter the primary bedroom, complete w/ a 3-piece ensuite & a spacious walk-in closet. Two additional bedrooms, a main bathroom, & a bonus room add to the functionality of this level. With their unwavering commitment to craftsmanship & quality, each Impact Home is meticulously designed. Rest assured, all our homes are protected by the Alberta New Home Warranty Program, providing you with peace of mind for your investment. *Home is under construction, photos are not of actual home*
