

## 2377 TRUMPETER Way Edmonton AB

\$549,900

The Renew 20 show home by Jayman BUILT is located in prestigious Trumpeter! SOLAR\* SMART TECH \* This home has great energy saving features including triple pane windows, tankless hot water, HRV & high efficiency furnace. This charming home has a unique "open to below" feature at the front of the house, with extra windows that allow natural light to flood into the lower level. This level has a developed family room that benefits from the light! The upper great room has a railing overlooking the family room. The kitchen is in the center of the home and offers stainless steel appliances, large island with flush eating bar; quartz counter tops and a pantry. The dining area has large windows on three sides - lots of natural light in this home. The second floor has a spacious owners suite with walk in closet and full ensuite; two more bedrooms and a second full bath complete this level. Amazing opportunity!
