

2431 TRUMPETER Way Edmonton AB

\$479,900

Nestled in the tranquility of Big Lake, this home offers the perfect blend of nature and modern comforts. Your home will be bathed in natural light with a south-facing backyard and massive windows throughout. Warm and airy interior selections grace this gorgeous home. The open concept main floor features a 9' knockdown ceiling and a convenient built-in bench. Experience the luxury of quartz countertops throughout the entire home. Retreat to your expansive primary bedroom which boasts an exquisite ensuite and ample storage space in the walk-in closet. The upper floor features a central bonus room perfect for family fun. Rounding out the upper floor are two additional bedrooms, laundry room, and a full bathroom. Smart design brings functionality to this idyllic home. Oversized 20x22 garage pad and all appliances, aside from washer/dryer, are included. This Anthem home is meticulously crafted with excellence and integrity. Currently under construction, the photos are a representation and are not of the home.
