

10235 111 Street 26 Edmonton AB

\$389,000

Step into this exceptional townhome featuring contemporary architecture with stylish, Japanese-inspired interior finishings and lighting. Enhanced with sleek designs and high-quality finishes, this home includes smart home and security systems, ensuring both convenience and safety. The main living floor boasts over 20ft ceilings, creating a spacious atmosphere complemented by a gourmet kitchen equipped with a stainless steel island, induction cooktop, and upgraded appliances. The expansive primary suite provides a luxurious bathroom oasis with a fully tiled shower and elegant tub. A/C ensures comfort for the summer months. Outside, a private patio offers a serene retreat or a vibrant entertaining space. Nestled in a secure GATED community and positioned as an END unit, this property promises privacy and tranquility, while still placing you in the heart of downtown Edmonton's dynamic atmosphere. Experience the perfect blend of modern luxury and convenience in this stunning home.
