For more information, please click on "View Listing on Realtor Website". It's like walking into a new build! This Bungalow Duplex starts with a fabulous floor plan and 9 Foot Ceilings, a Pantry/Laundry room off the Kitchen, a large Master with Walk-In Closet & Ensuite, and Double Attached Garage. And then it got totally renovated so everything is Fresh and Clean! From the stylish aesthetic upgrades featuring new textured vinyl floors, renovated kitchen & bathrooms - all Quartz and Gold; to the functional upgrades like a new furnace, air conditioner and water tank and professionally cleared drains, every detail has been meticulously attended to. Additional highlights include new striking LED lights, new paint & baseboards, new window blinds, and thoughtful storage solutions throughout. The large covered deck has a gas BBQ hook-up and offers extra privacy and shade with outdoor bamboo blinds. Top it off with tiny bits of landscaping space to plant your favorite lily. Some photos virtually staged.
