

9720 106 Street 2601 Edmonton AB

\$1,398,000

For your urban retreat & endless views. Introducing the exceptional that is Symphony Tower. Experience an elevated lifestyle inside the Carrera sub-penthouse suite. Spanning more than 2900sqft, this iconic property commands the west side of the building! Offering expansive south, west, and north views, enjoy the dramatic combination of city skyline and river valley. The suite is crafted for entertainment. Large double doors guide you into a beautiful living area on one end and private owners retreat on the other. The living areas are made up of a true chef's kitchen, formal dining room, tucked away office space, and tied together with a beautiful living room. On the other side of the home is a total of 3 bedrooms separated by a bonus room. This end includes a primary suite like no other! Incredible 5pc ensuite and sunset views from your soaker tub. The developer has successfully crafted a signature tower that has become recognized as Edmonton's premium choice for luxurious residences. Nothing Compares.
