

267 WINDERMERE Drive Edmonton AB

\$2,850,000

Step into unparalleled luxury with this custom-built executive bungalow by Audie Benson Estate Homes. Exquisite millwork, coffered ceilings and dramatic lighting create a sense of sophistication. Perfect for entertaining and everyday living. The chef's kitchen, featuring high-end Wolf and Sub-Zero appliances and a butler's pantry, inspires culinary creativity. The primary suite is a luxurious sanctuary with a walk-in closet, steam shower, soaker tub that creates a true spa-like experience. The lower level, with in-floor heating, offers relaxation and entertainment with a theatre room, wine cellar, wet bar and fitness area. Outside, the landscaped yard, underground sprinklers, rock retaining walls, and artificial turf create a serene escape. The covered, heated patio allows for year-round enjoyment. An attached heated triple tandem garage with storage that will fit seven cars if lifts were added. This home exceeds expectations with its impeccable design and high-end finishes. No details were overlooked.
