

29 Red Crest Way St. Albert AB

\$714,900

On the Pond in Riverside! What a beautifully adorned 2260 sq.ft custom 2 Storey! It's a true WALKOUT home backing on a scenic pond designed and constructed by the premier home builder URBANAGE HOMES! You'll be blown away by all the standard upgrades that make this property so spectacular! The enchanting front elevation is accentuated by hardie exterior cladding, stone accents and ethereal finishings. It has 9' ceilings, wide plank hardwood, a gas stove, upgraded light fixtures & black plumbing fixtures, a walk through mudroom pantry, quartz countertops, ceiling height cabinets, cozy gas fireplace, a board and batten feature wall, an upper bonus room, a free-standing tub w/ stylized shower and glass surround, completely solar and EV ready, an in-house speaker system, dura deck w/aluminum rail, lower concrete patio, 9' basement ceilings etc. etc. Over at the community of Riverside you will have access to acres of lush forest and countless walking trails. This home is move in ready!!!
