

2923 ANTON LINK Link Edmonton AB

\$479,900

Welcome to this delightful 2-story home that perfectly combines comfort, style, & convenience. With a charming west-facing front porch & beautifully landscaped, fully fenced yard, this property offers a private oasis for gardening, entertaining, or simply unwinding. Inside, the open-concept main floor is designed for seamless living. The cozy living room features a statement fireplace, while the spacious dining area flows effortlessly into bright kitchen with ample counter space. Upstairs, generous primary suite includes walk-in closet & 3-piece ensuite. Two additional bedrooms are located near the 4-piece main bath, providing convenience for family or guests. Newly installed air conditioning will provide comfort through summer! This home is ideally situated just minutes from the international airport with easy access to major commuting routes, your daily drive to work or city amenities will be a breeze. The double detached garage offers secure parking & extra storage, adding even more value!
