

3010 SOLEIL Boulevard Beaumont AB

\$739,980

This beautiful house in Beaumont features 6 bedrooms and provision for 7th bedroom in the basement. One bedroom and a full bathroom on the main floor. The main floor also has a modern kitchen with walk-in-pantry and a huge living room with open to below concept and a gas fireplace. Fully finished basement with separate entrance and second kitchen, making it a complete home for a larger family. The covered patio deck overlooks a school, and the property is conveniently located within walking distance to both the school and amenities. Additionally, the house boasts a fully landscaped yard with fencing for added security.
