

14808 26 Street 304 Edmonton AB

\$84,900

Discover this cozy and stylish 1 bedroom + den and 1 bath condo with 756 sq ft of living space. Step inside and discover fresh laminate flooring in the main living areas and soft new carpeting in the bedroom for added comfort. The modern kitchen and bathroom have been recently updated, making this space modern and practical! The primary bedroom boasts a spacious walk-in closet, perfect for all your storage needs. Other building updates include new windows, a new roof, new hardy board siding and decks (2019). Enjoy your morning coffee or relax in the evening on your private west facing balcony. The convenience of shared laundry, and ample street parking makes everyday living easy. Located near all amenities, you'll find shopping, dining, and transit just steps away.
