A SUPERB LOCATION FOR THIS ADULT BUILDING! VALLEYVIEW POINT OVERLOOKS THE RIVER VALLEY WITH SOME GREAT VIEWS. This 40+ age complex is beside the Hermitage walking paths/bike lanes/off leash area. This third floor two bedroom 872 sq. ft. condo is in a very well run complex with many amenities such as social room with a patio for those family gatherings; a fitness room; a craft room; a library; a handy man workshop and a car wash bay. Secure underground assigned parking and storage unit. This is a concrete building which makes for a very quiet building. In 2032 this building will convert to a 55+ age complex.
