## 3332 169 Street Edmonton AB

\$564,900

Located in the sought after community of Saxony Glen, this home is designed for modern living. Welcomed into a spacious foyer, the main floor presents an inviting space to call home through finishes that feel natural and organic. The kitchen features a light wood cabinets, 3cm quartz countertops, ceiling height modern back splash, chimney hood fan & water line to fridge. The upper floor has a central bonus room, convenient laundry room and three additional bedrooms which includes the master retreat. Your private retreat includes an oversized large walk-in closet and a 5-pc spa inspired ensuite with a soaker tub. Home is under construction with a tentative completion in December. Last photo is to reference the interior finishings only.
