

667 WATT Boulevard 402 Edmonton AB

\$209,999

GORGEOUS TOP FLOOR CONDO BATHED IN SUNLIGHT WITH SOUTHERN EXPOSURE. Nestled in a vibrant neighbourhood brimming with conveniences, this residence boasts 2 bedrooms and 2 full bathrooms. The master suite features a spacious walk-in closet and ensuite bathroom, complemented by a well-appointed main bath. Revel in the seamless flow of the open concept layout, leading to a generously-sized, partially covered balcony offering a private retreat. Upgrades abound, including cork laminate flooring, ceramic tile, and stainless steel appliances. Enjoy the convenience of new, in-suite high-efficiency washer and dryer, along with luxurious touches like quartz countertops, air conditioning, and vaulted ceilings. This pet-friendly condo resides in a meticulously maintained building and includes a coveted titled, heated underground parking spot with lockable storage. Close to QE2 and the Henday it is truly a must see.
