

4232 33A Street Edmonton AB

\$499,900

Renovated from head to toe! This AIR CONDITIONED 1228 sq.ft, 4 bedroom, 3 full bathroom, 4 level split with a double attached garage is simply stunning and sure to check all your boxes. Open and bright with vaulted ceilings. Renovations in 2019 include all new flooring, baseboards, new bathrooms, a brand new kitchen with a large pantry, quartz countertops, stainless steel appliances and a beautiful island. More recent upgrades include brand new washer and dryer, Samsung french door fridge, garage door, hot water tank, front storm door and smart home thermostat. This home has great curb appeal with a well maintained exterior including the beautiful back yard with an amazing two tiered deck. Located in Larkspur which is a fantastic family community close to all the amenities you could need.
