

425 84 Street Edmonton AB

\$489,900

Beautiful Bi-level home, neutral colors to go with any decor. Approximately over 2700sq ft. of living space, 3 bedrooms, 3 full bathrooms with showers. Master bedroom large enough to accommodate a California king sized bed and has a walk in closet. Room has bowed window with ceiling fan and ensuite with large oval soaker tub and shower also has a closet. Other bedrooms have large closets. This home also has a large office/den with lovely frosted French doors. Kitchen, living room, dining room and breakfast nook all share an open concept design with high cathedral ceilings and real hardwood floors. Dining area has unique custom pillars and archways with cut out area for a china cabinet. Kitchen includes SS fridge, stove with convection oven, dishwasher and built in microwave. Living room has beautiful gas fireplace. Family room has carpeted floor with in floor heating and large walk in storage room.
