\$469,900

This is a really amazing opportunity. You always want to buy a home that's been loved and maintained for many years. The current owner has lived here for 60 years, and the pride of ownership is obvious throughout the property. The home also brings all of the character you're looking for, since you're looking in Capilano. It features an original built-in dining hutch, classic woodworking, and the classic curb appeal.
